Engineering and Terminal Services, LP Receives 2019 Best of League City Reward

League City Award Program Honors the Achievement

LEAGUE CITY, December 3, 2019 – Engineering & Terminal Services, LP has been selected for the 2019 Best of League City Award Engineering Consultants category by the League City Award Program.

Each year, the League City Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These local companies that enhance the positive image of small businesses through service to their customers and our community. These exceptional companies help make the League City area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2019 League City Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the League City Award Program and data provided by third parties.

About League City Award Program

The League City Award Program is annual awards program honoring the achievements and accomplishments of local business throughout the League City area. Recognition is given to those companies that have shown the ability to use their best practices and implemented program to generate competitive advantages and long-term value.

The League City Award Program was established to recognize the best of local business in our community. Our organization works exclusively with local business owners, trade groups, professional associations and other business advertisement and marketing groups. Our mission is to recognize the small business community's contributions to the U.S. economy.
